

OUR VISION A Compassionate Caring Community for all.

OUR MISSION Emmanuel Care is a healthcare ministry of the Catholic Church that sponsors, holds accountable and ensures the legacy of Catholic health care organizations and services in Saskatchewan. Guided by the healing Ministry of Jesus Christ, Emmanuel Care strives to be a leader and catalyst in addressing unmet needs within communities

What compels us... Called and inspired by Jesus Christ we:

- reach out and serve every person unconditionally with compassion and respect in all stages of life;
- care for the whole person - the dynamic balance and harmony of a person's biological, psychological and spiritual being;
- bring comfort to people by offering an experience that will strengthen their confidence in life and give them reason to hope; and
- bring our Catholic health tradition into dialogue with the needs of the day to achieve our mission in old and new ways.
